5. (Unclassified - LLM) AGENCY VISIT Called C. R. (Lefty) Anderson, Chief of the Surveys and Investigations Staff of House Appropriations Committee, and advised him that his session with Agency officials to kick off the Survey Staff's investigation of SIGINT programs was scheduled for 3:00 this afternoon. He said that he would not be available but agreed that rather than send a deputy we should reschedule a session to be held next Friday, 17 October. Messrs. Duckett, Nelson and Iams were advised and the meeting will be held in Mr. Duckett's office.

6. (Unclassified - LLM) LIAISON Spoke with Bill Hogan, Counsel, House Armed Services Committee, concerning the next bi-weekly briefing of the Intelligence Subcommittee. He said it would be doubtful that it could be held during the period 21-23 October, between the two congressional breaks, and that Chairman Lucien Nedzi (D., Mich.) would be traveling to Korea for Korean Veterans Day on 28 October. However, Hogan promised to be back in touch with us on a firm date as soon as he had a chance to review the matter with Chairman Nedzi.

Hogan said Mr. Nelson's, DDO, briefing of the Intelligence Subcommittee on 8 October was exactly what the Subcommittee needed and the members were very complimentary of the worthwhileness of this session. I told Hogan that in that case we would follow the same format for the next Deputy Director. In response to my query, Hogan said he would check with Chairman Nedzi to see if he would like anything from us in connection with his trip to Korea.

7. (Unclassified - LLM) LIAISON Ed Ralston, Senate Select Committee, called concerning access to certain Journals of the Office of Legislative Counsel as had been requested by Mr. William Bader, also of the Select Committee. I told Ralston that I am sure that he will soon be getting a call from Mr. Cary on this matter.
